

Colour and BINGO

The past year has been challenging as we adapt to the new norm. At the same time, many of us had the chance to explore and learn new things, or pick up new hobbies.

Come join us in reflecting what we have achieved since the COVID-19 pandemic last year by colouring the activities in the boxes you have done!

How to participate:

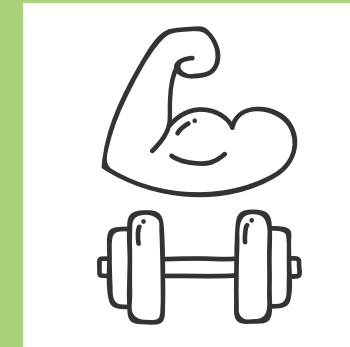

1. Colour the activity boxes that you have achieved amid the COVID-19 pandemic.
*Tip to win: be as colourful as you can!
2. To BINGO, you will have to colour all 3 activity boxes in a row, column, or diagonally.
3. Scan or snap a shot of your BINGO entry.
4. Submit your BINGO entry to corpcomms@thkmc.org.sg with the following:
 - Name and age of participant
 - A photo of you at an activity you coloured
 - A short story about the photo

Please submit your entry before 31 May 2021.
Winners will be contacted via email by the second week of June 2021.
